

We're hiring!

Product Manager (Structural Board Products)

Montreal, QC

Who you are...

The Product Manager is accountable for managing a group of products in alignment with the Global strategy by analyzing the market and portfolio and collaborating with other business functions throughout the product lifecycle.

What you'll do...

- Act as an Ambassador of Market Needs for the PM Organization
- Perform competitive benchmarking on all products as needed to maintain portfolio competitive advantage and provide talking points regarding the value of our products.
- Collect information about problems, products and applications that are needed in the different markets across our subsidiaries.
- Responsible for proposal of products to be phased out from Schluter's product portfolio.
- Responsible for the quality of the input provided to the global organization (Product Engineering Process database and Product Idea Database).
- Communicate the understanding of global applications and benefits as well as transferring them to subsidiary locations.
- Perform competitive benchmarking on products in the Schluter Portfolio – work with other product owners and corresponding R&D and Technical disciplines.
- Other tasks as outlined by the position and needs of the business

We're looking for...

- Previous product management, project management, or technical experience
- Bachelor's degree in business, engineering, marketing or equivalent work experience
- Skilled at working effectively with cross-functional teams and all levels of management
- Ability to coach, mentor, and train other team members
- Self-starter with a visionary and entrepreneurial spirit
- Proficiency with Microsoft Office Suite (i.e. Excel, PowerPoint, and Word)
- Ability to travel nationally and internationally

What we offer...

We offer a wide range of benefits, from bonus programs, to retirement planning & assistance contributions, as well as hybrid work model.

For a comprehensive overview of our benefits, please check out our careers page.

What we pay...

\$81,000 CAD - \$101,000 CAD
